The process:

Applications must be received by April 30, in order to be considered a valid application for the upcoming year.
(July 1 through June 30 of the subsequent year)

The scholarship will be awarded by May 15 and will be applied to tuition during the subsequent academic year.

An academic year is defined to be July 1 through June 30 of the subsequent year.

A scholarship committee will review all valid applications and credentials. The decision of the scholarship committee will be final.

Before submitting your application, have you attached the following?

1. Letters of reference for community involvement.
2. Certified High School transcript showing grades and attendance.
3. Completed top portion of application.
